

Bonnie Tully
 Chief Operations Officer
 Evonik Corporation

Bonnie Tully began her career in 1993 with Rohm & Haas as a project engineer before becoming materials manager and technical manager at Evonik’s Oil Additives (Rohmax) in Houston, Texas. In 2006, she transferred to Singapore and served as plant manager Asia-Pacific until her relocation to Mobile, Ala., in 2011 to become head of the Mobile site. In 2018, she became CFO for the North America region before taking over the role of President North America in 2020. In 2024, she was appointed Chief Operations Officer. Bonnie Tully holds a degree in mechanical engineering from Texas A&M University.
